

LEARN TO FLY!

PRIVATE PILOT LICENSE PROGRAM

Tropical Air has two flying schools located at Zanzibar International Airport and Dar es Salaam Airport Terminal 1.

The air traffic is light and the uncluttered sky and clear weather virtually all year round provides an ideal environment for flying.

The schools, adjacent to the maintenance hangars, exposes students to various aircraft components and operations.

Our program lessons has defined objectives and classes are small to ensure you receive the personal and professional attention you need. We take pride in our qualified instructors who are involved and available on a full time basis.

We have created quiet, undisturbed and unique environments to learn in and acquire your Private Pilot License (PPL).
